Through our partnership with Cherokee County Adult Education ACHIEVE served 8 students. Four students decided to participate in graduation recently and one student was recognized as an honor graduate. The following students graduated and received services from ACHIEVE: Hazel Webb (Honor Graduate), Mondre Maddison-Mills, Myana Maddison-Mills and Kadayja Byrd. Two of these graduates participated in valuable work-based learning experiences through partnerships with Cherokee Community Care and Regina Benton’s School of Cosmetology. Two students have committed to higher education and two have already sought full time employment. We are proud of these graduates!
